# Pedal in Preston Park

Saturday 15 October – 12 Noon till 4.30pm

**Time to hop on, get your wheels turning and see how many laps of Preston Park's historic cycle track you can ride.**

This is our cycling challenge for the whole family, even the littlest legs can join in.

Each lap is 600 metres long so set yourself a family challenge. Who can ride the furthest??

Go at your own pace, the event runs all afternoon so there's plenty of time.

We'll have bike mechanics on hand to deal with punctures. All cyclists will need to wear a helmet, if you don't wear your helmet you won't be able to take part.

This cycle challenge is organised by Martlets and the Motor Neurone Disease Association – you can raise sponsorship for both charities or choose the one closest to your heart. Whoever you support your money will change lives.
